¹ Section 102.2(c) of the Board's Rules and Regulations states, in relevant part: "Requests for extensions of time filed within 3 days of the due date must be grounded upon circumstances not reasonably foreseeable in advance." Although the Employer's request for an extension of time was filed within three days of the due date, the Employer supports its request with circumstances not reasonably foreseeable in advance: i.e., that "Texas is under a state of emergency due to an extreme weather event...including continued lost power and rolling blackouts for those who do have power."
